5 CFR Ch. I (1–1–00 Edition)

§ 900.604 Compliance.

(a) *Certification by Chief Executives.* (1) Certification of agreement by a chief executive of a State or local jurisdiction to maintain a system of personnel administration in conformance with these Standards satisfies any applicable Federal merit personnel requirements of the Federal assistance or other programs to which personnel standards on a merit basis are applicable.

(2) Chief executives will maintain these certifications and make them available to the Office of Personnel Management.

(3) In the absence of certification by the chief executive, compliance with the Standards may be certified by the heads of those State and local agencies that are required to have merit personnel systems as a condition of Federal assistance or other intergovernmental programs.

(b) *Resolution of Compliance Issues.* (1) Chief executives of State and local jurisdictions operating covered programs are responsible for supervising compliance by personnel systems in their jurisdictions with the Standards. They shall resolve all questions regarding compliance by personnel systems in their jurisdictions with the Standards. Findings and supporting documentation with regard to specific compliance issues shall be maintained by the chief executive, or a personal designee, and shall be forwarded, on request, to the Office of Personnel Management.

(2) The merit principles apply to systems of personnel administration. The Intergovernmental Personnel Act does not authorize OPM to exercise any authority, direction or control over the selection, assignment, advancement, retention, compensation, or other personnel action with respect to any individual State or local employee.

(3) When a chief executive requests the assistance of the Office of Personnel Management, the Office will provide consultation and technical advice to aid the State or local government in complying with the Standards.

(4) The Office of Personnel Management will advise Federal agencies on application of the Standards in resolving compliance issues and will recommend actions to carry out the pur-

poses of the Intergovernmental Personnel Act. Questions regarding interpretation of the Standards will be referred to the Office of Personnel Management.
